

# The GHM GROUP becomes Senseca

## All major changes at a glance.

Dear business partner,

Some time ago we informed you about the realignment of our company. As of 1 January 2024, we will combine the unique competencies of our five brands - Honsberg, Greisinger, DeltaOHM, Val.Co, Martens - in Senseca. With Senseca, we are pursuing a clear goal: We want to make an important contribution to a more sustainable future with customized measurement technology solutions.

In order to ensure a smooth transition, we ask you to consider the following points and to deposit them in your system as of January 1, 2024:

### What changes for you in our cooperation?

#### 1. Company name

The names of our companies will change as follows:

Delta OHM Srl, Via Marconi 5, 35030 - Selvazzano Dentro (PD) → **Senseca Italy Srl** (Address of the site and VAT number remain unchanged)

Val.Co Srl, Via Rovereto 9/11, 20014 Nerviano (MI):

From 1 January 2024 → **Senseca Italy Milano Srl** (same VAT number) (Address of the site remain unchanged)

From 1 July 2024 → **Senseca Italy Srl** (with VAT number - IT03363960281) (Address of the site remain unchanged)

GHM Messtechnik GmbH, Location Greisinger, Hans-Sachs-Straße 26, 93128 Regenstauf

GHM Messtechnik GmbH, Location Honsberg, Tenter Weg 2-8, 42897 Remscheid

GHM Messtechnik GmbH, Location Martens, Kiebitzhörn 18, 22885 Barsbüttel

**Senseca Germany GmbH**  
(Addresses of the sites remain unchanged)

#### 2. Contracts and business conditions

All contracts, general terms and conditions, bank details and terms of sale and delivery will remain unchanged and valid under Senseca.

#### 3. Purchase orders

Orders placed with Delta OHM for the year 2024 will automatically be transferred to Senseca as of 01.01.2024. The same applies to orders placed by us.

#### 4. VAT number

The name change does not affect the VAT number. You can leave it unchanged in your system.

The contact persons with whom you are already familiar will continue to be there for you in the same manner as before.

For any further questions or comments, please do not hesitate to contact us via +39 049 897 7150 or by mail at [sales@deltaohm.com](mailto:sales@deltaohm.com).

At the same time, we would like to invite you to follow us on our social channels (LinkedIn & Xing) to stay tuned about the next steps.

We wish you all the best and encourage you to visit our new website: [www.senseca.com](http://www.senseca.com) - the new home for innovative measurement technology.

Kind regards,

Christian Unterberger
